On Wednesday, 4-17-91, we, Detectives Dennis MURPHY and James BECKER, drove to Sarasota, Florida from Fort Lauderdale, to contact and re-interview #1 who was possibly a witness in this investigation. Upon arriving in Sarasota, we proceeded to 5629 Bolder Blvd., Sarasota, Florida zip 34233, #1-813-371-8655.

At this location we made contact with #1. We interviewed her regarding a previous statement made to Detectives O'KEEFE and VITALE. During this interview, #1 related that she had met Ed PISCITELLO, Scott HEIMERMANN and Joseph ISAJIW. She had been at the residence, 941 S. 35th St. sometime in August. She related that they had all gone into the basement and she observed the three subjects firing, at least two guns, into a board and a pillow located on the east wall of the basement. She also thought they might have been shooting at something else, located by the west wall. She indicated that she did not fire the gun and she does not know if another white female, #1, fired a gun.

#1 related that after this target practice occurred, they decided to go back upstairs. They then decided to get more cocaine. She related that one of the guys called T.C., whom she had met in the past, and his body guard, who are both black males. She related that after a short while T.C. came to the residence with his body guard and she observed a gun on the hip of the body guard. She related that he kind of pulled his jacket or shirt back and that is when she observed the gun.

#1 viewed numerous photos, which we had in our possession, depicting several black males. She identified one of the photos as being T.C.. She also observed a photo array from the Chicago Police Department, consisting of a photo of T.C., who has been identified as Muhammad BINWALEE, along with four other comparison photos. She picked out the photo of T.C.. She was not sure, at first, but related that it could be him. Upon viewing the other photos of T.C., (polaroid photos obtained during the investigation) she did make a positive identification. She also viewed a photo of the body guard, who has been identified as Dion RUSSELL. She related that this was the photo of the body guard. Both of these photos were kept on the file and written on the back, "identified by #1

We questioned #1 regarding anything she may have recalled. She indicated that when the black males came into the residence, she did observe jewelry around the body

guard's neck. She also observed rings and jewelry around T.C.'s neck. One of the black males was wearing the Reebok sweatshirt recovered at the time of the autopsy. She related that she observed all five of the subjects go to the basement while she and #1 went up to the second floor and had some cocaine. She then heard several more shots. She related that after the shots, she assumed there was more target practice. Joe then came up at which time she and Joe went for cigarettes. She related that she drove around with Joe for a while, got some more cocaine, and then subsequently returned to the residence. She related that she did not see the black males leave so she assumed they did leave.

During conversation with Christine, Christine told her that Eddie, Scott and Joe were planning to kill T.C. She related that she did not hear this from the three subjects but she did hear it from #1

#1 also related that both the black males were wearing some type of baseball caps.

#1 also viewed the jewelry on T.C., in the photo and she related that the rings he was wearing were relatively similar to the ones she observed him wearing on the night they came over to the residence.

She also related that shortly after this occurred, target practice and having T.C. come, she had heard Eddie state he was going to look for T.C., but she does not know if he had ever made contact with him. (SHORTLY AFTER - MEANING THE NEXT WEEK)

She related that this is the only other information she can offer, relative to our investigation. She also related that the original statement, given to Dets. VITALE and O'KEEFE is correct. She indicated that if she does recall any new information she will contact our Department.

She then related that she will be getting married this May and will then be moving to 4105 Tern Street, Sarasota, Florida. She does not know the phone number at this time. She indicated that when she does move to that location, she will contact our Department and give us her phone number.

We also showed her the photos of the jewelry and medallions which were taken from the victims. She indicated that she can not be sure these items were worn by the victims, only that DION was wearing a bunch of jewelry and stuff around his neck. Further,
